The Chocolate Museum Workshop
& Author workshop
Wednesday 3rd May 2023

Year 2 had a great day linked to their English curriculum, which started with a visit from the Chocolate Museum on 'The History and Making of Chocolate'. We tasted and identified cocoa nibs and chocolate from different parts of the world. Pupils were then able to make their own chocolate creations to take home!

In the afternoon, Year 2 joined another class at Belleville Primary School to attend a workshop led by author Mo O'Hara, on creating entertaining narratives. Pupils enjoyed this very interactive and inspiring session and even got to contribute ideas to make a new super-villain character for her famous series 'Agent Moose'.
