6<sup>th</sup> December 2016

Dear Parent / Carer.

Wix Reception Class Information for September 2017

I am aware that you are in the process of considering which schools to apply to for next September's school intake. There have been many conversations about what impact Belleville will have upon Wix. I want to keep you informed of developments. By September 2017 Wix will be part of a multi academy trust under the leadership of Belleville Primary School. As such there will be a number of changes and improvements. Belleville has an established and successful approach to the teaching of reception classes, it is significantly over-subscribed and has five full reception age classes. Wix has one English mainstream class, one bilingual class where the teaching is shared with the Lycee staff and one French class, run by the Lycee. From September 2017 the Wix English Reception class will have a similar approach and quality to the Belleville classes, while we retain both the bilingual and French streams.

To give you a picture of what reception will look like in 2017 at Wix, I would like to invite you to meet with me and senior staff who will be working with Wix and to look around both the Belleville Meteor site and Wix. If you are interested in seeing the approach we will adopt, seeing the facilities at both schools and discussing the year ahead, then please do join us on Monday 12<sup>th</sup> December at 9:15 am at the front office at Belleville School – Meteor Street site. We will then look at the provision at Meteor before walking back to Wix to look at the facilities and have a conversation.

Yours

John Grove
